Division 2 – to be 4 team competition, with 2 further rounds to be played. Two week final series.

Rescheduling of Matches:

Teams should be offer the option to avoid Saturday/Sunday fixtures or the hassle of having to arrange a midweek match, by playing their next match as a 'Double Game'.

To clarify the 'Double Game': Each half of the one game would be counted as separate games. The first half, would be recorded as 1 complete match and the second half recorded as the other match.

Would need both teams agreed to this prior to the match, as referees would need to be advised. Also teams sheets would be required for each half.

Catch up game rescheduling we would like to have completed by the end of the School Holidays.
